The Defendant's Italian Restaurant Business

3. After coming to America, GIUSEPPE MIRENDA, Relative 1, and Relative 2 started an Italian restaurant business in Utah.

4. To run this business, GIUSEPPE MIRENDA, Relative 1, and Relative 2 started five restaurant companies, a restaurant management company, and five Italian restaurants. In 2020 and 2021, the restaurant companies were named and owned as identified below:

Restaurant Company	Giuseppe Mirenda's Ownership %	Relative 1's Ownership %	Relative 2's Ownership %
Sicilia Mia 1	33.33%	33.34%	33.33%
Sicilia Mia 2	33.33%	33.34%	33.33%
Sicilia Mia LLC	33.33%	33.34%	33.33%
Antica Sicilia LLC	33.33%	33.34%	33.33%
Bella Sicilia LLC	33.33%	33.34%	33.33%

5. GIUSEPPE MIRENDA's related restaurant management company was called "Sicilia Restaurant Management." Its ownership was as follows:

Restaurant Mgmt. Company	Giuseppe Mirenda's Ownership %	Relative 1's Ownership %	Relative 2's Ownership %
Sicilia Restaurant Management	33.33%	33.34%	33.33%

6. From 2015 through 2020, together with Relative 1 and Relative 2, GIUSEPPE MIRENDA jointly operated these restaurant businesses and five related Italian restaurants in the District of Utah.

The COVID-19 Pandemic and the EIDL Loan Program

7. By March 2020, the COVID-19 pandemic had threatened the United States economy. Across the United States, offices and restaurants began closing. In response, Congress acted to keep small businesses afloat—ultimately spending over a trillion dollars to help protect millions of workers and business owners from economic disruption caused by the pandemic.

8. To facilitate this economic rescue effort, on March 25, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act, 15 U.S.C. § 9001 et seq. (the "CARES Act").

The CARES Act was designed to provide emergency financial assistance to millions of Americans who were suffering the economic effects caused by the COVID-19 pandemic.

9. As part of the CARES Act, Congress authorized the U.S. Small Business Association (“SBA”) to provide Economic Injury Disaster Loans (“EIDL Loans”) of up to \$2 million to eligible small businesses experiencing substantial financial disruption due to the COVID-19 pandemic. In addition, the CARES Act authorized the SBA to issue advances of up to \$10,000 to small businesses within three days of applying for an EIDL Loan.

Required Certifications in EIDL Loan Applications

10. EIDL Loan applications were submitted directly to and processed by the SBA. Any proceeds dispersed pursuant to an EIDL Loan were also dispersed directly by the SBA.

11. From March 2020 on, to obtain an EIDL Loan, a qualifying business had to submit an application to the SBA and provide information about its business and ownership. Each EIDL Loan applicant was required to certify under penalty of perjury that all the information in the loan application was true and correct to the best of his or her knowledge.

12. This certified information included information about the borrower business’s operations, such as the number of its employees, its gross revenues for the 12-month period preceding the disaster, and the cost of goods it sold in the 12-month period preceding the disaster.

13. From March 30, 2020 to May 4, 2020, each EIDL Loan applicant also had to list the names and citizenship status of all persons who owned a percentage of the business for which the EIDL Loan was being sought. From May 4, 2020 to June 30, 2020, this requirement was slightly modified so that each EIDL Loan applicant had to list only the names and citizenship statuses of all persons who owned at least 20% of the business for which the EIDL Loan was sought. In both time frames, all EIDL Loan applicants were required to certify under penalty of perjury that all the information they supplied about the ownership percentages of the borrower businesses and the business owners’ citizenship statuses was true and correct to the best of their knowledge.

14. From March 30, 2020 through at least June 24, 2020, the SBA made clear on its website that the SBA was offering EIDL Loans “for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19),” and that these loans were intended “to help alleviate economic injury caused by the Coronavirus (COVID-19).” *Coronavirus (COVID-19) SBA Disaster Assistance in Response to the Coronavirus* (posted on SBA website on March 30, 2020 and May 4, 2020). During this same timeframe, the SBA further made it clear, that EIDL Loan proceeds could be used only “to pay fixed debts, payroll, accounts payable and other bills that [couldn’t] be paid because of the [COVID-19] disaster’s impact.” *Id.* Any applicant who had any questions regarding the EIDL Loan program was directed to “contact the SBA disaster assistance customer service center at 1-800-659-2955 . . . or [to] e-mail [the SBA at] disastercustomerservice@sba.gov.” *Id.* SBA customer service representatives were available to answer any questions an applicant might have about the EIDL Loan program.

15. From March 30, 2020 to at least June 24, 2020, all EIDL Loan Agreements also included a specific provision entitled “USE OF LOAN PROCEEDS” which stated that:

Borrower will use all the proceeds of this loan solely as working capital to alleviate economic injury caused by disaster occurring in the month of January 31, 2020 and continuing thereafter

(emphasis added).

16. From March 30, 2020 to at least June 24, 2020, EIDL Loan Agreements also included a provision entitled “LIMITS ON DISTRIBUTION OF ASSETS” which stated:

THE SCHEME AND ARTIFICE TO DEFRAUD

19. Beginning in and around March 2020, and continuing through at least April 2022, within the District of Utah and elsewhere, defendant GIUSEPPE MIRENDA knowingly devised and executed a scheme and artifice to defraud and sought to obtain money and property by means of materially false and fraudulent pretenses, representations and promises, and omissions of material facts.

20. In executing and attempting to execute the scheme and artifice to defraud, and in furtherance thereof, defendant GIUSEPPE MIRENDA:

- a. Submitted six fraudulent EIDL Loan applications to the SBA between March 30, 2020 and June 24, 2020 that:

21. It was the object of the scheme and artifice to defraud for defendant GIUSEPPE MIRENDA to obtain money from the SBA in the form of EIDL Loan proceeds through false statements, misrepresentation, deception, and omissions of material facts, and thereafter to divert the money for his own use to make over \$1.2 million in unauthorized purchases.
